

Chairman's Message

September 13, 2016

I'm sorry that some of our members missed the September meeting on 9/9/2016.

We had a terrific presentation conducted by Lieutenant Rich Hampton and Sergeant Neal Bohannon from the Collier County Sheriff's Office.

They gave an informative and enlightening presentation on the best responses to take in an active shooter situation focusing on Homeland Security's "Run, Hide, Fight" program.

The presentation included a historic review of active shooter events and what they have learned from them. The intent was to increase our chances of survival in the event of an active shooter situation.

Next month's meeting (October 14th) will include a presentation on how our Association, Village Walk, developed and implemented a 5-year strategic plan. We would like to share with other communities how the plan was put together enabling us to be proactive and meet the challenges of today and the opportunities that await our community in the future.

A 5-year plan can put your association in a more favorable position to minimize uncertainty while preparing for the changing and competitive environment of tomorrow.

I hope that you and or other members of your Board will attend. In fact I encourage Property Managers to attend as well.

We appreciate your interest and support of the CCPC and look forward to your community's participation in next month's meeting.

Thank you

Paul Feuer, Chairman, CCPC
