CALL TO ORDER

The meeting was called to order by Chair Murray Hendel at 9 a.m. The Pledge of Allegiance was given and self-introductions made.

GUEST SPEAKER – Jeff Lytle, Editor, Naples Daily News Editorial Page

Following an introduction by Hendel, Lytle talked about what he feels are some of the current issues in Naples and the surrounding area. Subjects mentioned were the economy and job, fire consolidation, paying for city pensions, and the Naples Airport runway. Lytle invited the CCPC to let the Naples Daily News know what they can do for us. Questions were taken from the audience.

APPROVAL OF MINUTES

Motion made and seconded to approve the February minutes. Motion carried.

TREASURER'S REPORT

Treasurer Charley Weyl reported a balance of \$4242.26 in the treasury.

COMMITTEE REPORTS

Legislative. VP Dave Trecker distributed and provided an overview of his report, a copy of which is attached to and made a part of these minutes. He invited members to let him know if there is any issue on which they feel CCPC might want to take a position.

Issues. Vice Chair Linda Penniman asked for a count as to how many members called the water management district to have an assessment performed and reminded those who hadn't to take advantage of the offer by calling 455.4100. Members were reminded of the Water Forum to

take place at the Telford Auditorium at 5:30 p.m. on March 29. There was some discussion regarding CCPC becoming a co-sponsor of the forum, along with a discussion regarding a viewing of the video "Waiting for Superman." It was suggested that members be allowed to view it individually and possibly discuss it at a future meeting.

Chair Hendel thanked Sandy Linneman for her work done on the most recent newsletter.

Membership. Membership Chair Bob Raymond reported that there are 38 members to date and that work continues on getting the website up and running.
